This is why you remain in the best website to see the amazing books to have.

Orchard House Tara Austen Weaver 2015-03-31 For fans of Anne Lamott, a profoundly moving memoir of rediscovering, reinventing, and reconnecting, as an estranged mother and daughter come together to revive a long-abandoned garden and ultimately their relationship and themselves. Peeling paint, stained floors, vined-over windows, a neglected and wild garden—Tara Austen Weaver can’t get the Seattle real estate listing out of her head. Any sane person would have seen the abandoned property for what it was: a ramshackle half-acre filled with dead grass, blackberry vines, and trouble. But Tara sees potential and promise—not only for the edible bounty the garden could yield for her family, but for the personal renewal she and her mother might reap along the way. So begins Orchard House, a story of rehabilitation and cultivation—of land and soul. Through bleak winters, springs that sputter with rain and cold, golden days of summer, and autumns full of apples, pears, and pumpkins, this evocative memoir recounts the Weavers’ trials and triumphs, detailing what grew and what didn’t, the obstacles overcome and the lessons learned. Inexorably, as mother and daughter tend this wild patch and the fruits of their labor begin to flourish, green shoots of hope emerge from the darkness of their past. For everyone who has ever planted something that they wished would survive—or tried to mend something that seemed forever broken—Orchard House is a tale of healing and growth set in a most unlikely place. Praise for Orchard House “This touching memoir chronicles how the act of transforming a garden together—of ‘planting hope’—helps a mother and daughter reconnect and revive the sense of groundedness that had been lost within their relationship and themselves. . . . [Orchard House] deftly [captures] the love, laughter, trials and tears that make motherhood the joy and job it truly is.”—American Way “Honest and moving . . . [the story of] one woman’s initiation into intensive gardening with her mother, which changed a neglected space into something beautiful and bountiful and shifted their relationship as well.”—Kirkus Reviews “Fascinating, tender, often heartbreaking . . . The perfect gift for a mother or a daughter with an appreciation for the transformative power of gardening.”—HGTV Gardens “A wise exploration of family roots . . . Nurturing a garden is a lovely metaphor for healing a family. . . . [Orchard House] could serve as a handbook for both.”—Shelf Awareness “With buoyant grace and empathic insights, Weaver offers an ardent tribute to both the science of perseverance and the art of letting go.”—Booklist “This is a glorious book—lyrical, honest, compassionate, and wise. It reminds us that gardens and families are messy businesses, but from them we can harvest hope and food and moments of grace.”—Erica Bauermeister, author of *The School of Essential Ingredients* “Filled with sensuous descriptions, this beguiling story enchants. Gardeners and non-gardeners alike will delight in this lyrical tale of how a garden grows a family.”—Diana Abu-Jaber, author of *The Language of Baklava* and *Birds of Paradise* “Orchard House is a glorious and deeply moving story of one family’s redemption. If Anne Lamott and Wendell Berry ever had a literary love child, Tara Austen Weaver might well be her.”—Elissa Altman, author of *Poor Man’s Feast*

Before and After the Book Deal Courtney Maum 2020-01-07 Everything you’ve ever wanted to know about publishing but were too afraid to ask is right here in this funny, candid guide written by an acclaimed author. There are countless books on the market about how to write better but very few books on how to break into the marketplace with your first book. Cutting through the noise (and very mixed advice) online, while both dispelling rumors and remaining positive, Courtney Maum’s *Before and After the Book Deal* is a one-of-a-kind resource that can help you get your book published. *Before and After the Book Deal: A Writer’s Guide to Finishing, Publishing, Promoting, and Surviving Your First Book* has over 150 contributors from all walks of the industry, including international bestselling authors Anthony Doerr, Roxane Gay, Garth Greenwell, Lisa Ko, R. O. Kwon, Rebecca Makkai, and Ottessa Moshfegh, alongside cult favorites Sarah Gerard, Melissa Febos, Mitchell S. Jackson, and Mira Jacob. Agents, film scouts, film producers, translators, disability and minority activists, and power agents and editors also weigh in, offering advice and sharing intimate anecdotes about even the most taboo topics in the industry. Their wisdom will help aspiring authors find a foothold in the publishing world and navigate the challenges of life before and after publication with sanity and grace. Are MFA programs worth the time and money? How do people actually sit down and finish a novel? Did you get a good advance? What do you do when you feel envious of other writers? And why the heck aren’t your friends saying anything about your book? Covering questions ranging from the logistical to the existential (and everything in between), *Before and After the Book Deal* is the definitive guide for anyone who has ever wanted to know what it’s really like to be an author.

Echte liefde Courtney Maum 2019-01-01 Echte liefde van Courtney Maum is een heerlijke feelgoodroman voor iedere schermverslaafde over liefde in het digitale tijdperk. Wat doet digitalisering met de relaties tussen mensen? Dit is Sloane Jacobsen: ze is vervreemd van haar familie, heeft een picture perfect-relatie met een social-mediaster, is beste vrienden met de stem van haar zelfrijdende auto en is een internationaal succesvol trendwatcher. De perfecte kandidaat om bij techgigant Mammoth de strijd om de virtuele consument te leiden. Maar wanneer ze in dit online walhalla overal signalen opvangt dat echt contact de nieuwe trend is, zoekt haar machtige baas de confrontatie en begint Sloane te

twijfelen aan haar eigen voorspellingen. Durft ze te kiezen voor wat ze zich al zo lang ontzegt: liefde en verbinding? ‘Heerlijke parodie.’ The New York Times ‘Hartverwarmend.’ O, The Oprah Magazine ‘Onweerstaanbaar.’ The Wall Street Journal

How to Manage Difficult People Alan Fairweather 2011-07-01 Dealing with difficult people - from awkward customers at work to irritating neighbours at home - is a challenge many people face on a day-to-day basis. This book will show you how to: - Defuse and deal with difficult customers, both on the phone and face to face; - Manage problems with colleagues in the workplace, including a manipulative boss; - Handle difficult day-to-day interactions with any people we come into contact anywhere; - Identify and manage behaviours which can turn a person into a ‘problem’;Improve necessary listening and communication skills; - Increase self confidence and develop rapport building skills. This book contains some proven techniques for managing yourself as well as managing difficult people. If you gain a better understanding of yourself, build your confidence and use these techniques, then you’ll make your life a whole lot easier.

Hearings, Nov. 15, 1945-May 31, 1946 United States. Congress. Joint Committee on the Investigation of the Pearl Harbor Attack 1946

The Dawning Knight L. Kincavel 2013-04-01 A reprint of an earlier version of the same novel, this story is (very loosely) based on the Role Playing Game of 'Omnifray', designed by Matthew J. West. The story takes place in 'The Shrouded Lands' where magic is hidden and superstition is rife. A young warrior, Marek z'Drubov, agrees to become the champion of the goddess of the Dawn Light, Erria, and rid the forest of Duran Fal of all the evil beings, living and undead, which infest it. Joined by Stepan, a herbalist and fellow Brother of the Order of the Leaf, Marek rides out to do Erria's bidding. From then on, his life gets very interesting.

Kiplinger's Personal Finance 2002-05 The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

Een stralende toekomst Rebecca Makkai 2019-10-01 'Dit boek heeft mij echt geraakt. Verbijsterend en hoopvol.' DWDD Boekenpanel Chicago, 1985. Yale werkt bij een museum en staat op het punt om een bijzondere collectie binnen te halen. Maar terwijl zijn carrière een hoge vlucht neemt, woekert de aidsepidemie. Na de begrafenis van zijn goede vriend Nico wordt Yales vriendenkring snel kleiner, totdat hij alleen Fiona, Nico's jongere zus, over heeft. Dertig jaar later gaat Fiona in Parijs op zoek naar haar dochter die haar niet meer wil spreken. Daar logeert ze bij een vriend, die fotograaf was in Chicago in de jaren 80 en wordt zo opnieuw geconfronteerd met de verwoestende effecten die de aids crisis heeft gehad op haar leven. De verhalen van Yale en Fiona komen op verrassende en ontroerende wijze samen in een onvergetelijk slot. 'Een van de eerste romans die verslag doet van de aidsepidemie vanaf de uitbraak tot het heden. Een meeslepend verhaal over het leven in rampzalige tijden.' The New York Times 'Een ijzersterk verhaal over vrienden die onder de zwaarst mogelijke omstandigheden hun menselijkheid trachten te behouden.' People Magazine 'Een hartverscheurend verhaal over liefde en verlies maar ook over diepe verbondenheid.' Oprah Magazine 'Buitengewoon aangrijpend, levendig en hoopvol.' The Guardian

Vuurgeesten R.O. Kwon 2020-01-07 Een krachtige, donker glanzende roman vol geweld en liefde, geloof en verlies, over een jonge vrouw aan een Amerikaanse universiteit, die betrokken raakt bij een sekte met terroristische daden. Rouw drijft ons naar religie, maar wat als dat geloof verandert in iets monsterlijks? Als Phoebe en Will elkaar ontmoeten op een elitaire Amerikaanse universiteit krijgen ze al snel een relatie. Beiden kampen met een groot gemis: Phoebe geeft zichzelf de schuld van het fatale auto-ongeluk van haar moeder, terwijl Will worstelt met de leegte die hij voelt nadat hij afstand nam van zijn geloof. Gekweld door haar verlies en schuldvoelens sluit Phoebe zich aan bij een religieuze groepering op de campus, geleid door een charismatische oud-student met een twijfelachtig verleden en radicale opvattingen. Als de groep een aanslag pleegt en Phoebe verdwijnt, stelt Will alles in het werk om te achterhalen wat er gebeurd is. * Vuurgeesten gaat over de verleidelijke en gevaarlijke plekken waar we naar afdrijven als verlies ons doet wankelen. In oogverblindend, acrobatisch proza, verkent Kwon de grenzen tussen geloof en fanatisme, liefde en geweld, het rationele en het onbekende. – Celeste Ng * Spannend, angstaanjagend en diep ontroerend; een juweel van een boek. Het beste dat ik in lange tijd gelezen heb. Kwon heeft haar naam gevestigd. – Michael Cunningham * Stralende debuutroman... Ja, het boek gaat over extremisme, maar het is voor iedereen die ooit in de ban is geweest van een ander. – The New York Times Book Review * Religie, politiek en liefde botsen in deze krachtige roman die doet denken aan Donna Tartt, waarin dreiging en mysterie overal op de loer liggen. – People Magazine * Een verbijsterend zelfverzekerd geschreven boek van een belangrijke nieuwe auteur. – The Guardian

The Ballerina and the Bull Johanna Isaacson 2016-05-19 Our moment has seen the resurgence of an anarchist sensibility, from the uprisings in Seattle in 1999 to the Occupy movement of 2011. Against the vacuity and drift of financialized capitalism, proclaiming "There is no Alternative," these insurgent movements have insisted that an alternative is possible. In *The Ballerina and the Bull* Johanna Isaacson explores the occult history of US punk, hardcore, queercore, and riot grrrl, DIY culture, and alternative subcultures to trace a new politics of "expressive negation" that both contests the present order and gives us a sense of the impasses of politics in an age of depoliticization. "Expressive negation" registers the contradictory politics at the heart of these projects: the desire for negation that must be positively expressed. Drawing on first-hand experience, interviews, and discussion of the ludic, spatial, and sexual

politics of anarchist subcultures, Isaacson maps an underground utopian politics of style and develops a radically new history of the present moment.

Twiggy Andrew Burrell 2014-07-23 "Not just a terrific read, but an important life to have on the national record." – George Negus The swashbuckling West Australian entrepreneur Andrew "Twiggy" Forrest took on mining giants BHP Billiton and Rio Tinto at their own game – and won. In this unauthorised biography, Andrew Burrell traces Twiggy's business triumphs and disasters to reveal the complicated man behind the myth. Why do his mining ventures attract so much controversy? And what do his philanthropic schemes tell us about him and his plans for the future? It takes extraordinary force of will, combined with boundless energy and cunning, to create enterprises on such a mammoth scale. With the value of iron ore now integral to the health of the federal budget, Twiggy's business affects all Australians. This entertaining book gives a unique insight into one of the most powerful men in Australia today. "A riveting investigation of one of our richest businessmen, biggest philanthropists and greatest fast-talkers." – Laura Tingle "This is a book that needed to be written ... rich in detail with fascinating insights into the family history, the failures, flaws, and ultimate rise of John Andrew Henry Forrest." – The Sydney Morning Herald Andrew Burrell has been a journalist for twenty years, covering business and politics in Australia, South-East Asia and China. He has worked for the Australian Financial Review and is currently a senior business journalist for the Australian in Perth, where he has covered the WA mining boom since 2006. He won the business prize at the WA media awards in 2006 and 2009.

Parliamentary Papers Great Britain. Parliament. House of Commons 1869

Malignant Rebecca Dresser 2012-03-02 "You have cancer." Words no one wants to hear, but heard by millions every year. Millions more hear the equally shattering news that a loved one has cancer. Both are life-changing messages. For the people writing this book, cancer was not only a personal crisis, it was also an education. Experts on medical ethics, personal experience with cancer showed them how little they understood of the real world of serious illness. Despite years of teaching and writing about treatment decision-making and patient autonomy, they were unprepared for many of the problems they faced. They discovered that the rights and wrongs of cancer care were more complicated than they had anticipated. Ethics outside the hospital walls took on unexpected significance as they discovered the astonishing generosity, and the unintentional cruelty, that cancer provokes in others. Cancer was a test of personal character, too, as patients accustomed to control became dependent on others and caregivers shouldered unfamiliar and difficult responsibilities. In chapters on cancer diagnosis, treatment choices, and research participation, the authors examine medical ethics from the personal point of view. In chapters on family caregiving, cancer interactions, and cancer support groups, they consider ethics outside the medical setting. In chapters on mortality and survivorship, they reflect on cancers personal moral teachings. Cancer is an unavoidable feature of modern life. Readers will come away with a deeper understanding of what it is like to have cancer, better equipped to respond to cancer in their own lives and the lives of others. The book also offers insights to doctors and nurses seeking to improve cancer treatment and to medical ethicists seeking to make their work more relevant to patients and caregivers.

De deal Elle Kennedy 2018-05-23 Al meer dan 25.000 keer gelezen en geluisterd in Nederland en België! Dé internationale sexy bestsellersensatie vol humor. Hannah Wells heeft een enorme crush op Justin Kohl, de hunk van het footballteam. Maar hoe kan ze ervoor zorgen dat hij haar eindelijk ziet staan? Garrett Graham is de populaire aanvoerder van het ijshockeyteam. Maar hij kan ijshockey wel vergeten als hij niet snel zijn filosofiegemiddelde verbetert met behulp van bijles. Hij laat zijn oog vallen op de sarcastische brunette die als enige van de klas een goed cijfer heeft gehaald voor het tentamen dat hij over moet doen. Het enige probleem: zij heeft helemaal geen zin om hem te helpen. Garrett is echter niet voor één gat te vangen en bedenkt een sluw plan: zij geeft hem bijles, en hij doet een tijdje alsof hij haar vriendje is. Als Hannah namelijk een paar keer als zijn date op feestjes wordt gezien, zal ze daarmee ongetwijfeld de aandacht van Justin trekken. In een vlaag van verstandsverbijstering gaat Hannah akkoord met de deal. Dat kan niet misgaan... toch? De deal is het eerste deel in de Off Campus-serie van Elle Kennedy, die zich afspeelt op de fictieve Briar University. Alle delen zijn los van elkaar te lezen. Ook schreef ze een serie van vier boeken getiteld Briar U.

How to Become a Famous Writer Before You're Dead Ariel Gore 2007 An irreverent handbook for the aspiring writer reveals how to promote oneself and to get oneself noticed by agents, editors, publishers, and readers, explaining a variety of marketing and promotion strategies and offering step-by-step guidelines on how to book one's own tour, deal with a publisher, objectify oneself, write a press release, and more. Original. 15,000 first printing.

Rational Interaction Reinhard Selten 2013-03-09 The unifying theme of the 23 contributions to this book is the social interaction of rational individuals. The work of John C. Harsanyi on game theory, social choice, and the philosophy of science finds an echo in these essays. Contributions by well known game theorists and economists present a great variety of stimulating theoretical investigations. Part I contains six papers on non-cooperative game theory written by Maschler, Owen, Myerson, Peleg, Rosenmüller, Hart and Mas-Collel. Part II with three contributions by Kalei, Samet, van Damme, d'Aspremont, and Gérard-Varet is devoted to the use of non-cooperative game theory in the analysis of problems of mechanism design. Basic questions of non-cooperative game theory are discussed in three essays by Güth, Hardin, and Sugden in Part III. Applied game models are discussed in three papers by Friedman, Selten, and Shubik in Part IV. Problems of social choice are investigated in Part V which deals with utilitarianism and related topics in five contributions by Hammond, Binmore, Arrow, Roemer, and Broome. Finally, Part VI contains three papers: an interdisciplinary comparison of physics and economics by Samuelson, a methodological essay by Brock, and an appraisal of the work of John C. Harsanyi.

Portraits of Old Russia Donald Ostrowski 2015-07-17 This book introduces readers to a little-known place and time in world history – early modern Russia, from its beginnings as Muscovy, in the fourteenth century, through the reign of Peter I (1689-1725) – by portraying the lives of representative individuals from the major levels of the society of that era. The portraits, written by professional historians, are imaginative reconstructions or composites of individual lives, rather than biographies. The portraits are arranged into socio-political categories, and include members of ruling families, government servitors, clerks, military personnel, church prelates, monks, provincial landowners, townspeople and artisans, Siberian explorers and traders, free peasants, serfs, slaves and holy fools. Using these portraits, the book brings old Russian society to life in an interesting way.

Parliamentary Debates 1890

Inside Job - Corruption In the Stock Market Revealed Zack Bowman 2016-04-27 The events depicted in this book reflect my experiences on Wall Street and at MCI Communications Corporation. The conversations recounted here are based on my recollections and, wherever possible, the recollections of others present at the time, audio and video tapes of company presentations and conference calls, my e-mail records, and my contemporaneous notes. When describing events or conversations that occurred when I was not present, I have relied on a variety of sources: the accounts of people who were there, transcripts or recordings of conference calls and meetings, press releases, newspaper reports, speeches, court testimony, and other documents. Citations have been noted extensively in the text and the end-notes.
