Moments, Memories, and Men Pascual Goicoechea 2022-02-25 The book is an account of a young man whose mother died in Havana in 1956 and then raised by his father in the pre-revolution turbulence of the time. Fleeing communism, they arrived in Texas in May 1960, where the author comes of age. He soon assimilates into America and graduates from high school. Lacking academic direction, he joins the US Navy and falls in love with the rigors, discipline, and culture of military life. After an eight-year enlistment, he earned a commission in the US Army as an Infantry Officer and retired forty-one years later. At his father's deathbed, the father asked him to pen the memoirs he kept of his long military career, as well as those he kept of his own life in Havana and those of his father, a diplomat for the Republic of Cuba for 36 years. The book thematically chronicles the written narratives of the three men and ends in present-day America.

Set Your House in Order . . . Brenda Miller 2017-06-27 Come and drink from the well of reconciliation. In the book of Genesis, God hovers over the watery depths and speaks His fixed order into creation. The book of Genesis contains numerous accounts of the activities of God at water wells. The scenes picture the wells as gathering places for refreshment and survival, like the account of Hagar; for seeking marital relationships, as in the stories of Rebekah and Rachel. Like Bethel, altars established at dig sites of wells institute the worship of God. Praise, thanksgiving and reconciliation, as between Isaac and Abimelech, restore Gods moral, social, and cosmic order. The history of Jacob and Esau and Joseph and his family digs into human relationships and the priority God places on keeping His family and the communitys order maintained and reconciled. God inspired Genesis to be humanitys instruction manual for building and restoring families and relationships according to His Divine Order.
