**Het boek waarvan je wilde dat je ouders het hadden gelezen**
Philipa Perry 2019-10-04
ledere ouder wil dat zijn kind gelukkig is, en dat het in een veilige omgeving oproeit tot een gelukkige volwassene. Maar hoe doe je dat? In dit wijze, verstandige en verrissende boek staat alles wat er in de opvoeding van een kind écht toe doet. Geen praktische tips over slapen, eten, goede manieren of huiswerk, maar helder advies over de essentie van het ouderschap. Op basis van haar rijke ervaring als therapeut, haar wetenschappelijke inzichten en haar persoonlijke ervaringen als ouder, behandelt Philippa Perry de grote vragen van de ouder-kindrelatie, van baby tot tienerjaren. Hoe ga je om met je eigen gevoelens en die van je kind? Hoe zien je gedragingen en patronen eruit? Hoe ga je om met je ouders, je partner, vrienden? Dit boek biedt een brede, verrassende kijk op een diepgaande en gezonde ouder-kindrelatie. Zonder oordelend te zijn, geeft Perry op een even directe als geestige manier inzicht in de invloed van je eigen opvoeding op je ouderschap. Het is een boek vol liefdevol advies over het maken van fouten en het onder ogen zien daarvan - waardoor het uiteindelijk goed zal komen.
Philipa Perry is al twintig jaar psychotherapeut en schrijver. Ze is verbonden aan The School of Life. Daarnaast is ze tv- en radiopresentator en werkte ze mee aan vele documentaires. Ze woont in Londen met haar echtgenoot, de kunstenaar Grayson Perry, met wie ze een volwassen dochter heeft.

**Summary & Analysis of Hunt, Gather, Parent**
SNAP Summaries 101 PLEASE NOTE: This is a summary and analysis of the book and not the original book. SNAP Summaries is wholly responsible for this content and is not associated with the original author in any way. If you are the author, publisher, or representative of the original work, please contact info[at]snapsummaries[dot]com with any questions or concerns. In Hunt, Gather, Parent, Michaeleen Doucleff explores why raising kids is so hard today and offers time-tested strategies that parents can use to make their lives easier and get their children to be more cooperative and confident. What does this SNAP Summary Include? - Synopsis of the original book - Key takeaways from each chapter - How Western parenting differs from other styles of parenting around the world - Ways to motivate children that are more effective than praise and rewards - Tools to transmit desirable values and behaviors - Editorial Review - Background on Michaeleen Doucleff About the Original Book: Many Western parents would not imagine not praising, rewarding or punishing their children, not buying them toys, or leaving them to sleep on their own schedules. Yet this is the norm in many indigenous communities around the world, and the children raised this way turn out to be more helpful and self-assured than their Western counterparts. Drawing from science, her experiences as a mother, and her observations living within indigenous communities in Mexico, Tanzania, and the Arctic, Michaeleen Doucleff explains how parents can get their children to do chores voluntarily, behave appropriately, and grow into kind and self-sufficient people. Any parent who feels exhausted or defeated by all the work and yelling they have to do at home will find Hunt, Gather, Parent a handy guide to reclaiming their life.

**Forthcoming Books**
Rose Army 2003-04

*European Family Law in Action: Parental responsibilities*
Katharina Boele-Woelki 2003
This volume contains detailed information concerning the law on parental responsibilities in twenty-two European jurisdictions. The expert members of the CEFL have drafted national reports on the basis of a detailed questionnaire. These national reports, together with the relevant legal provisions, are available on CEFL's web site (www.law.uu.nl/priv/cefl). This book integrates all the given answers in order to provide an overview and a straightforward simultaneous comparison of the different solutions chosen within the national systems. On the basis of this reliable and comprehensive comparative material the CEFL will be able to draft Principles of European Family Law regarding Parental Responsibilities.

*Becoming a Dad*
Stephen James 2005
Prepares men for the disruptive, redemptive, and transforming experience called fatherhood by getting them to face deep questions of the soul, instead of by teaching them the mechanics of baby care. Original.

**Raising Children**
V. Noot 2016-07-01
6 Books in one bundle. Get it now!
Book 1: Why You Want to Have Kids: Are you wondering about having children or not? Are you looking for pros and cons of having children, so you can make a better decision? This book shows you the fertility rates in the 21st century and the global shift, ideas to consider when making a decision with your partner, some sacrifices you have to make when you raise children, and a long list of benefits of having children like.Book 2: The 55 Best Ways to Compliment Your Child: Most parents want the best for their children. They go through extensive lengths to provide them all the toys they desire and set rules that help them grow up. But occasionally, they don't know what to say to a child. It doesn't go anywhere beyond "Good job" or "Well done." Book 3: The 3 Parenting Styles: In this book you'll learn about the 3 different parenting styles: authoritative, authoritarian, and permissive. The last one is divided into 2 subc-categories. As you get acquainted with these different parenting styles, it might surprise you have many people (including you) can learn to upgrade their parenting skills a little. Book 4: The Children's Sleep Remedy: Discover the secret techniques that helped numerous parents to help their kids sleep better. Children can go to bed like that or they stay up forever and ever. But there is always a reason. Putting children to sleep is an art that can be mastered. And once they are asleep, you get to have some spare time in the evening, and they will be happier the next morning, only to repeat the same routine the next day. When you apply the bedtime rituals and tips for children in this book, you will be able to:
Book 5: Time Management for Parents: Do you wish you had more time as a parent? Do you sometimes feel overwhelmed or stressed because of everything you have to do? This book shows you 10 ways to make your life more stress-free and help you make ends meet.
Book 6: Parenting Mistakes: These mistakes will blow your mind! Everyday makes at least one of these, most of parents make more. I've even seen parents make almost all these mistakes. This book is not to frown upon all the trying and loving parents who aren't perfect. It is here to help you see what you can improve on to make your kids live even better than it already is. Learn from others so you don't have to go through the same process. Most importantly, however, learn from others how NOT to do it so you can avoid those traps yourself.

*Achtung Baby*
Sara Zaskie 2018-01-02
An Entertaining, Enlightening Look at the Art of Raising Self-Reliant, Independent Children
Based on One American Mom's Experiences in Germany
An NPR "Staff Pick" and One of the NPR Book Concierge's"Best Books of the Year"
When Sara Zaskie moved from Oregon to Berlin with her husband and toddler, she knew the transition would be challenging, especially when she became pregnant with her second child. She was surprised to discover that German parents give their children a great deal of freedom—much more than Americans. In Berlin, kids walk to school by themselves, ride the subway alone, cut food with sharp knives, and even play with fire. German parents did not share her fears, and their children were thriving. Was she doing the opposite of what she intended, which was to raise capable children? Why was parenting culture so different in the States? Through her own family's often funny experiences as well as interviews with other parents, teachers, and experts, Zaskie shares the many unexpected parenting lessons she learned from living in Germany.
*Achtung Baby* reveals that today's Germans know something that American parents don't (or have perhaps forgotten) about raising kids with "selbständigkeit" (self-reliance), and provides practical examples American parents can use to give their own children the freedom they need to grow into responsible, independent adults.

*Raising a Happy, Unspoiled Child*
Burton L. White 1995-08-01
REQUIRED READING FOR PARENTS WHO WANT TO GIVE THEIR CHILD THE BEST START IN LIFE
Must your charming five-month-old turn into a tiny terror? Are the "terrible twos" and public tantrums inevitable? Burton White, author of the classic *The First Three Years of Life*, doesn't think so. Basing his recommendations on thirty-seven years of research and observation, White shows how to bring up an independent, socially secure, and delightful child. In his groundbreaking and easy-to-follow book, White takes parents through the normal development stages of their child's first thirty-six months, recommending the best ways to: React to a child's intentional cry Cope with stranger anxiety, separation anxiety, and sibling rivalry Manage unacceptable behavior without causing emotional harm to a child or damaging the parent/child relationship Handle challenging sleep situations, calm a cranky newborn, and deal with the toddler's fine art of the whine All parents who want a peaceful, loving relationship with their child instead of a constant emotional tug-of-war will find that *Raising a Happy, Unspoiled Child* is the one book that must have a place on their shelf.

**The Everything Parent's Guide To Raising Boys**
Cheryl L Irwin 2006-06-12
With The Everything Parent's Guide to Raising Boys, parents find the authoritative handbook they need to raise their boys right, from early childhood through the teenage years. They learn how to help their sons: - Strengthen self-image and resist peer pressure; - Define and exhibit acceptable behavior; - Instill solid values they can apply at school and on the playing field; - Honor their commitments to family, community, and themselves. Noted family therapist Cheryl L. Irwin shows parents how to create positive, supportive relationships with their sons that encourage open communication and help them establish a healthy foundation of values and goals. With patience, perseverance, and The Everything Parent's Guide to Raising Boys, parents can see their boys through those challenging developmental years, and take pride in their successful transition from boys to men.

**Raise Winning Kids Without a Fight**
William H. Hughes 2009-10-15
Emphasizing personal choice, free will, and dispassionate parent-child interactions, Dr. Hughes's approach recommends to parents that they set expectations, monitor behavior, and give rewards when expectations have been met.

**Wild Things**
Stephen James 2011-07-14
Playing off the themes in the Caldecott Medal-winning children's book *Where the Wild Things Are*, this informative, practical, and encouraging guide will help parents guide boys down the path to healthy and authentic manhood. *Wild Things* addresses the physical, emotional, and spiritual parts of a boy, written by two therapists who are currently engaged in clinical work with boys and their parents and who are also fathers raising five sons. Contains chapters such as "Sit Still! Pay Attention!" "Deficits and Disappointments," and "Rituals, Ceremonies, and Rites of Passage."

**Hunt, Gather, Parent**
Michaeleen Doucleff 2021-03-02
NEW YORK TIMES BESTSELLER
The oldest cultures in the world have mastered the art of raising happy, well-adjusted children. What can we learn from them? "Hunt, Gather, Parent is full of smart ideas that I immediately wanted to force on my own kids." —Pamela Druckerman, *The New York Times* Book Review
When Dr. Michaeleen Doucleff becomes a mother, she examines the studies behind modern parenting guidance and finds the evidence frustratingly limited and the conclusions often ineffective. Curious to learn about more effective parenting approaches, she visits a Maya village in the Yucatán Peninsula. There she encounters moms and dads who parent in a totally different way than we do—and raise extraordinarily kind, generous, and helpful children without yelling, nagging, or issuing timeouts. What else, Doucleff wonders, are Western parents missing out on? In *Hunt, Gather, Parent*, Doucleff sets out with her three-year-old daughter in tow to learn and practice parenting strategies from families in three of the world's most venerable communities: Maya families in Mexico, Inuit families above the Arctic Circle, and Hadzabe families in Tanzania. She sees that these cultures don't have the same problems with children that Western parents do. Most strikingly, parents build a relationship with young children that is vastly different from the one many Western parents develop—it's built on cooperation instead of control, trust instead of fear, and personalized needs instead of standardized development milestones. Maya parents are masters at raising cooperative children. Without resorting to bribes, threats, or chore charts, Maya parents rear loyal helpers by including kids in household tasks from the time they can walk. Inuit parents have developed a remarkably effective approach for teaching children emotional intelligence. When kids cry, hit, or act out, Inuit parents respond with a calm, gentle demeanor that teaches children how to settle themselves down and think before acting. Hadzabe parents are world experts on raising confident, self-driven kids with a simple tool that protects children from stress and anxiety, so common now among American kids. Not only does Doucleff live with families and observe their techniques firsthand, she also applies them with her own daughter, with striking results. She learns to discipline without yelling. She talks to psychologists, neuroscientists, anthropologists, and sociologists and explains how these strategies can impact children's mental health and development. Filled with practical takeaways that parents can implement immediately, *Hunt, Gather, Parent* helps us rethink the ways we relate to our children, and reveals a universal parenting paradigm adapted for American families.

**How to Raise a Wild Child**
Scott D. Sampson 2016-06-21
By the beloved and wildly popular host of the PBS Kids show "Dinosaur Train," here is the book every parent needs: a rousing call to connect our kids to the natural world, filled with tips and advice.

*Loving Him Well*
Gary Thomas 2018-02-06
The bestselling author of *Sacred Marriage* offers hope to women who want to strengthen and transform their marriages into the profoundly deep relationships God intended. Women: you're not alone in your marriage. You never have been, and you never will be. While it may not always feel like it, God wants you to have a relationally healthy, emotionally engaged, and spiritually mature husband. In *Loving Him Well*—previously titled *Sacred Influence*—Gary Thomas builds on concepts from his bestselling book *Sacred Marriage* to reveal the inner workings of a man's heart and mind. He delves into Scriptures that help women gain biblical insight to influence their husbands. Exploring the research of neuroscientists, trained counselors, and abuse victim advocates, Gary also interviews dozens of wives to find what has worked and what hasn't as they've sought to build the best marriage possible. With new stories and fresh illustrations to help wives understand, love, and influence their husbands, *Loving Him Well* offers encouragement, biblically based support, and practical applications for the transformation of your marriage, drawing you and your husband closer together, the way God intended. Perfect for . . . Women in good marriages who want a great marriage Women who feel invisible or marginalized in their marriage Engaged or newly married women who want to start investing in their marriage from the start You'll discover the influence you can gain and the peace of mind you can build when you go first to God for your worth, validation, protection, and provision and then learn how to use that platform to help your husband draw closer to you and closer to God. *Loving Him Well* includes study questions at the end of each chapter and is also available in Spanish, Amándolo bien.

**Raising a Healthy, Happy Eater: A Parent's Handbook**
Nimali Fernando 2015-11-17
How to Raise a Healthy, Adventurous Eater (in a Chicken-Nugget World)
Pediatrician Nimali Fernando and feeding therapist Melanie Potock (aka Dr. Yum and Coach Mel) know the importance of giving your child the right start on his or her food journey—for good health, motor skills, and even cognitive and emotional development. In *Raising a Healthy, Happy Eater* they explain how to expand your family's food horizons, avoid the picky eater trap, identify special feeding needs, and put joy back into mealtimes, with: Advice tailored to every stage from newborn through school-age Real-life stories of parents and kids they have helped Wisdom from cultures across the globe on how to feed kids Helpful insights on the sensory system, difficult mealtime behaviors, and everything from baby-led weaning to sippy cups And seven "passport stamps" for good parenting: joyful, compassionate,

brave, patient, consistent, proactive, and mindful. Raising a Healthy, Happy Eater shows the way to lead your baby, toddler, or young child on the path to adventurous eating. Grab your passport and go!

**Family Field Trip**
Erin Austen Abbott 2020-04-07
With more than 40 family-friendly cultural activities and adventures, *Family Field Trip* makes it easy to incorporate moments of learning and exploration into life with kids. In this engaging guide, parents and caretakers will find simple-to-follow ideas and tips for cultural experiences the whole family can enjoy, whether they are at home, exploring the neighborhood, or taking a vacation. Drawing on a range of popular experiential educational techniques—including Montessori, World Schooling, Forest Schooling, and more—Family Field Trip is the perfect handbook for any family with young children and an invaluable resource for raising kids who will grow into curious, well-rounded citizens of the world.
• Gives parents the tools and inspiration to turn the world into a giant field trip full of opportunities to teach children cultural appreciation
• Provides parents with easy ways to incorporate learning, adventure, and exploration into both travel and daily life
• Tackles a range of lessons and topics without being prescriptive or overwhelming By exploring sites, languages, and foods of the world, *Family Field Trip* is an inspiring guide to raise globally minded kids who appreciate art, food, music, nature, and more. Activities include starting a supper club to introduce kids to the basics of cooking, having conversations that encourage empathy and cross-cultural understanding, designing fun scavenger hunts for any kind of museum, exhibit, or park, packing for trips with kids, and more.
• Perfect for parents, grandparents, and caregivers who aspire to raise open-minded world citizens with good taste
• A lovely book for the adventurous, travel-loving family
• Great for readers who enjoyed *How to Raise an Adult* by Julie Lythcott-Haims, *Atlas of Adventures* by Rachel Williams, and *Bringing Up Bebe* by Pamela Druckerman

**True North**
Gary Heim 2011-09-20
Every day we face some kind of frustration: flat tires, flooded basements, wounding words, a broken body, a troubled marriage[trouble comes in all shapes and sizes and can happen when we least expect it. While everyone struggles, few people have learned to struggle well. But it's not impossible! Frustrations arise when we look to people and things of this world to fill our desires, rather than to the only One who can really satisfy us. True North offers a unique, biblical paradigm that gives understanding and help to turn to God in the frustrations of life. Frustration often causes us to [go south] and react in the flesh. We grumble and grasp. God calls us to [go north] and respond to hardship with wisdom and redemptive love. Combining biblical insight with personal stories, practical help, and compelling examples, authors Gary and Lisa Heim encourage readers to turn from self-centered grumbling and grasping to Christ-centered gratitude and giving. As they read stories of hardships and trials, successes and profits, readers will see how frustrations can actually help them grow in their personal lives, in their marriages, in their parenting, and in their ministries. Believing that learning to live for God through all of life's frustration is an intentional activity for every day, the Heims also provide discussion questions at the end of each chapter to help readers apply biblical truths to situations where frustrations loom. Perfect for use in ministry settings or as a handbook for personal growth, *Truth North* shows readers how to embark on the life-giving adventure of walking with God.

**Know Your Child**
Sri Sri Ravi Shankar 2014-01-01
Raising children can be a big challenge in this competitive world. We want our children to be successful. How do we measure success after all? And how do we help our children live a successful and fulfilled life? In this book, His Holiness Sri Sri Ravi Shankar highlights simple points for parents and teachers about raising children. These subtle cues go a long way in laying the foundation for children to grow into fine human beings - happy yet responsible, focused but with a large perspective on life, having a strong character with the softness of human values.

*Love Joy*
Prabhakar Deshpande 2022-07-28
This book is not about a religion, yet can substitute for religion. It teaches meditation and morality and lays the path to love and joy. It is the book that humanity has been waiting for for the past ten thousand years.

**The Innovative Parent**
Erica Curtis 2019-03-26
Curtis and Ho integrate cutting-edge research, art therapy trade secrets, and their own child-rearing experience into a revolutionary yet practical guide to creative parenting.
Plentiful illustrations and anecdotes bring concepts to life, showing art in action with kids and parents for connection, happiness, and success.

**The New Art of Raising Happy Kids**
Alyssa Shaffer 2020-07-14
Each day brings new tests and challenges - and incredible happiness as we watch our children grow from helpless newborn to independent teen. "THE ART OF RAISING HAPPY KIDS" can't provide all the answers, but it can help resolve some often biggest issues facing parents, from coping with the sniffles to navigating social media. Whether you're cradling an infant or getting ready to send you child off to college, the most important things is to enjoy the ride! Every parent wants their child to be happy, healthy and well adjusted. But in an ever-changing world, how do we do just that? In this book, experts in child development, pediatrics, psychology and social work provide simple, straightforward advice on how to help your child grow up to be a strong, caring individual. It includes information on what it takes to keep a child healthy, including the newest research on nutrition, sleep, exercise and development. It illustrates how to build strong family ties, including bolstering emotional intelligence, effective communication strategies, and why it's okay to let your child occasionally fail. Plus: Advice on navigating the world at large, from finding a balance with social media to coping with bullies and overcoming depression. Finally, developmental guidelines for every age, from newborns to teens, help the reader navigate the changes a child will face. Parenting can be a challenge, and this book is here to make the journey a little bit easier.

*I Like My Parents*
Kevin Graves 2018-04-02
"Your kids are awesome! I don't know how many times my wife and I have heard this over the years..." The Graves did not plan to have seven kids before they got married. Sure, they both loved kids, and they had both come from big families. Joyce had been a teacher, and Kevin had run children's camps, so children were an important part of their dream of building a life together. But it was only after they started having children that they realized how fun it could be. Then they didn't want to stop! As parents struggle to build happy homes and raise successful children, I LIKE MY PARENTS! offers practical guidance and examples of how you can nurture the kinds of qualities in your children to make them awesome too. Author Kevin Graves explores what it looks like when a child's heart truly turns back to his or her parents, and offers a roadmap of how to get there. With input from his and other successful children on what worked for them in every chapter, I LIKE MY PARENTS! gives fresh ideas of how you can build the kind of home that's contagious and brimming with positive energy. With a little help, you may even find people saying "Your kids are awesome" too.

**East Meets West**
Kim Parker MSW LCSW 2016-09-07
Parenting can be the toughest journey a person ever makes. The author transparently addresses the difficult parts of this role while pointing us to some practical ways of thinking and relating with children to lighten the responsibility. This book is as fascinating as Amy Chua's *Battle Hymn of the Tiger Mother* memoir, as relatable as Jen Hatmaker's *Christian Fables*, as uplifting as Iyanla Vanzant's inspirational messages, and backed by solid research of the likes of Brene Brown. By deftly combining four of Americas favorite genres into one enjoyable read, the author does not force us to compare and choose one world view over another, but honors all. Kim understands the unique challenges and opportunities that arise when you're parenting in a culture different than the one in which you were raised. Her words are wise and just what you need to figure out what is best for your family! Jill Savage, author of *Better Together: Because You're Not Meant to Mom Alone* This is an insightful book, full of sound and practical advice. I highly recommend it. Dr. Helen Mendes Love, MSW, author of *Reflections on the Upsides of Aging* Kim gives invaluable insight on the intricacies of parenting in a more globalized and culturally-relevant world, while respecting tradition and heritage. Sam Louie, M.A., LMHC, author of *Asian Shame and Addiction: Suffering in Silence* Humorous, yet educational, this book is a must read for any parent. Erika Olivares Sumner, Life & Wellness Coach, Mother of Three

**Toughest People to Love**
Chuck DeGroat 2014-05-29
People -- frustrating, confusing, disappointing, complicated -- are the most difficult part of leadership, and they challenge leaders everywhere, from leaders of many to managers of a few. In this book Chuck DeGroat addresses the flawed nature of people and offers wisdom for leaders of all types in dealing with just about anyone who is difficult to lead and to love. Toughest People to Love explores the basics of how people "tick," encouraging leaders to examine and take care of themselves so that they can better understand and care for others. Based on DeGroat's wealth of experience as a pastor, professor, and therapist, this book -- both wise and practical -- is one that countless leaders will go back to time and again for valuable insights and renewed vision.

**How Children Raise Parents**
Dan B. Allender 2005
A biblical approach to parenting allows readers to become better parents and better people who know God more fully and grow into spiritual maturity by listening to their children. Original.

**Creative Art of Parenting**
Svetlana Pritzker 2014-06-03
“Creative Art of Parenting is not just a useful book. It is a treasure chest filled with easy to use and amazingly effective tools for life. Svetlana skillfully combines her professional expertise and personal experience to help parents understand their own live and support them in creative positive influence on their kids' lives.“Alex Bergman,B2 Funding Corporation, Managing Partner“Creative Art of Parenting delivers clarity and a unique understanding of what it takes to invest parenting with joy. It presents a framework that is designed to assist parents in becoming aware of the underlying energy within family interactions and clearing up their childhood issues so they can parent as "adults". A must have in your library!“Suzanne Carrier, RPP, LMT Sound Approach to Wellness, Founder and CEO“Svetlana's voice says that she is objective yet not alienated from human interconnectedness. Clearly the term pioneer is a terrific way to describe what she is - dashing, daring, insightful and knowing counselor who generously shares insights and solutions that can be easily applied.“Rad Kieding,Berkeley Art Museum & Pacific Film Archive, CA“Svetlana's book provides a combination of beneficial information and parenting ideas that support both the children and adults in expressing the highest and truest potential. Creative Art of Parenting is a valuable instrument for building a future -- not only your children's future, but the future of living with integrity, sustainable future for the life on our planet.“ Lisa Michelin,Business Development, Ingalls Memorial HospitalRevolutionary Life and Wellness Coach “Creative Parenting” resonates with me being a long time school teacher, a single mother who raised two children, and a grandmother. What a timely book! What a “Treasure Trove” of wisdom and practical advice! This book is on “being” and “doing” - the two inseparable dimensions of spiritual parenting. Exceptional step-by-step guide to creating a positive relationships.” Irma Simuni, Social Worker, Jewish Family and Children Services “Svetlana's thorough, energetic, and deeply informational approach with respect to parenting matters is truly refreshing. She really understands and writes about the genuine needs of children and how they could feel like an opposition to the parental needs of safety and control. She does it from her heart and understanding what parents experience during each special period of child's development. With wisdom and resourcefulness Svetlana guides her readers into an engaging conversation about what it means to recognize your children and support them in their creative zest in life. For the sake of both children and their guardians, I hope that this book is read widely and with an open heart.“Tia Carr Williams, Co-Founder and Strategic Relations Director, Cahootify Talent Technology, UK“Creative Art of Parenting is an engaging and instructive guide for those who are looking for answers about parenting and life in general. It deals with the developmental cycles and challenges they present in the lives of both children and those who care for them. Svetlana covers a wide variety of topics some of which illustrate conflicting patterns and controversial issues in parenting. Great book for parenting children of all ages, including yourself!“Charmaine Lee, International Sales Trainer at Global B.A.N.K. Academy“I have had my read of parenting books, but Creative Art of Parenting is an unusual and impressive exception. I think it is outstanding, truly to the point and written with praiseworthy clarity. The explanation of emotional values in our relationship is of enormous importance and I cannot praise it enough. I will surely share it with audiences wherever I speak, and hope it creates a great rippling effect. It could make a huge difference and I commend you for publishing it.“Jane Bell,CEO, Success Media GroupCo-Publisher, InInspire Magazine

**A Choice Theory Psychology Guide to Parenting**
Nancy Buck 2019-06-02
Parenting is the most important, terrifying and rewarding job you'll ever have. For better or worse, most of us learn how to do this job from our parents. But what if the example your parents set is not something you want to follow? In *A Choice Theory Psychology Guide to Parenting*, international child expert Dr. Nancy Buck offers readers a new and far more effective way to parent while maintaining a loving relationship with their sons and daughters. Parents and children have different agendas, children push for freedom while parents pull for safety. This push-pull relationship between parents and children starts at birth, and continues throughout childhood, adolescence and early adulthood. Rather than relying on the typical controlling, punishing, and relationship-destroying attempts to dominate children, *Choice Theory* psychology teaches you to follow the instruction manual you and your offspring are born with. The result is happy, responsible children who want to maintain loving relationships with their parents. Great parents who follow this instruction manual raise great children.

**Shepherding God's People**
Siang-Yang Tan 2019-07-16
This comprehensive textbook on pastoral ministry for pastors, church leaders, and students articulates a biblical model for shepherding God's people. Written by a leading psychologist and seminary professor who has served as a pastor for more than two decades, the book covers twelve major areas of pastoral ministry, highlights the essential work of the Holy Spirit, and focuses on the personal and family life of the pastor. It includes cross-cultural perspectives of special interest in our diverse world and a foreword by John Ortberg.

*Parent-Child Relations*
Hisham Altalib 2013
This easy-to-read, comprehensive guide contains what you need to know on how to parent with confidence. Packed with advice and powerful tips, using the latest research on child development and parenting techniques, it offers a mine of information on how to let children flourish, take the frustration out of parenting and develop happy family relations. Authors provide guidance on developing character, knowledge, values, and skills, as well as a faith-based outlook in children, benefiting parents with kids of all ages. æ Many strategies and techniques offered include: teaching children how to problem-solve, make decisions, and develop self-esteem. Raising God conscious, moral, successful children, with a sense of civic responsibility in today's world is not easy. It is also not impossible. Effective parenting is the key.

**The Unlikely Art of Parental Pressure**
Dr. Christopher Thurber 2021-07-20
The Right Kind of Parental Pressure Puts Kids on a Path to Success. The Wrong Kind Can Be Disastrous. Level up your parenting with this positive approach to pushing your child to be their best self. Parents instinctively push their kids to succeed. Yet well-meaning parents can put soul-crushing pressure on kids, leading to under-performance and serious mental health problems instead of social, emotional, and academic success. So where are they going astray? According to Drs. Chris Thurber and Hendrie Weisinger, it all comes down to asking the right question. Instead of “How much pressure?”, you should be thinking “How do I apply pressure?” The Unlikely Art of Parental Pressure addresses the biggest parenting dilemma of all time: how to push kids to succeed and find happiness in a challenging world without pushing them too far. The solution lies in Thurber and Weisinger’s eight methods for transforming harmful pressure to healthy pressure. Each transformation is enlivened by case studies, grounded in research, and fueled by practical strategies that you can start using right away. By upending conventional wisdom, Thurber and Weisinger provide you with the revolutionary guide you need to nurture motivation, improve your interactions with your child, build deep connections, sidestep cultural pitfalls, and, ultimately, help your kids become their best selves.

*How to Raise a Feminist*
Allison Vale 2017-02-16
"We are all equally fascinating, equally valuable, equally capable of altruism, equally able to change the world for the better. That's feminism, isn't it? And it's what every parent wants for their kids. . . every parent that's not a d\*ck, that is.' Growing up in the '70s, neither Allison Vale nor Victoria Ralfs reckoned they needed feminism. But years of settling for the smallest chops at the dinner table, getting battered in British Bulldog, and negotiating the flasher down the lane, left them feeling uneasy: had feminism been the missing link? In *How to Raise a Feminist*, they join forces as mothers, educators, story-tellers and women, to tell the riotous story of how they came to put feminism at the core of their parenting. Real feminism is: NOT angry or man-hating · common sense · the way

to raise happily flawed, robust sons and daughters Real parenting is: . mostly without a script . often a bit terrifying . entirely amazing How to Raise a Feminist is the ideal read for anyone, anywhere, unnerved by the pressure to be perfect; a 'good enough' guide to raising your children into gloriously gutsy, empathetic, likeable young people, irrespective of their gender.

*The Danish Way of Parenting* Jessica Joelle Alexander 2016-08-09 International bestseller As seen in The Wall Street Journal--from free play to cozy together time, discover the parenting secrets of the happiest people in the world What makes Denmark the happiest country in the world--and how do Danish parents raise happy, confident, successful kids, year after year? This upbeat and practical book presents six essential principles, which spell out P-A-R-E-N-T: Play is essential for development and well-being. Authenticity fosters trust and an "inner compass." Reframing helps kids cope with setbacks and look on the bright side. Empathy allows us to act with kindness toward others. No ultimatums means no power struggles, lines in the sand, or resentment. Togetherness is a way to celebrate family time, on special occasions and every day. The Danes call this hygge--and it's a fun, cozy way to foster closeness. Preparing meals together, playing favorite games, and sharing other family traditions are all hygge. (Cell phones, bickering, and complaining are not!) With illuminating examples and simple yet powerful advice, *The Danish Way of Parenting* will help parents from all walks of life raise the happiest, most well-adjusted kids in the world.

*Intentional Parenting* Sissy Goff 2013 Intentional Parenting is built around 12 chapters that each dispel some of the most common parenting myths and reminds all parents of truths that can empower them to be not only the parents that their children need but that God has called them to be."

*De gelukkigste kinderen van de wereld* Rina Mae Acosta 2017-03-21 Het is de wens van elke ouder: gelukkige kinderen. En wat is de sleutel tot dit succes? Welnu, die ligt ergens in ons eigen land. Onlangs werd het door Unicef weer vastgesteld, Nederlandse kinderen zijn het gelukkigst. Blijkbaar doen we iets heel erg goed, maar wat? Misschien leer je wel het meest over je eigen cultuur als je een keer door de ogen van een buitenlander kijkt. Michele Hutchison en Rina Mae Acosta zijn beiden met Nederlanders getrouwd, ze wonen hier en voeden hier hun kinderen op. Allebei hopen ze op het typisch Nederlandse resultaat dat ze overal om zich heen zien: evenwichtige en onafhankelijke baby's, kinderen en tieners. Met een scherpe blik en veel humor observeren ze de Nederlandse praktijken, in de hoop het geheim te ontrafelen. Laat de rest van de wereld er zijn voordeel mee doen, en laten wij er zuinig op zijn. 'Alle ouders zouden dit boek moeten lezen.' - The Daily Mail 'Briljant, briljant, briljant!' - BBC Radio 2 Breakfast Show 'Een plezier om te lezen!' - Joris Luyendijk, Londen 'Een geweldig boek.' - The Sun

**Full Service** Siang-Yang Tan 2006-03-01 A thorough exploration of what biblical servanthood is, why each Christian is called to serve, and how to grow as true servants of our Lord.

**Unwanted** Jay Stringer 2018-09-04 Outreach magazine 2018 Resource of the Year--Counseling & Relationships! Unwanted: How Sexual Brokenness Reveals Our Way to Healing is a ground-breaking resource that explores the "why" behind self-destructive sexual choices. The book is based on research from over 3,800 men and women seeking freedom from unwanted sexual behavior, be that the use of pornography, an affair, or buying sex. Jay Stringer's (M.Div, MA, LMHC) original research found that unwanted sexual behavior can be both shaped by and

predicted based on the parts of our story--past and present--that remain unaddressed. When we pay attention to our unwanted sexual desires and identify the unique reasons that trigger them, the path of healing is revealed. Although many of us feel ashamed and unwanted after years of sexual brokenness, the book invites the reader to see that behavior as the very location God can most powerfully work in their lives. Counselors, pastors, and accountability partners of those who experience sexual shame will also find in this book the deep spiritual and psychological guidance they need to effectively minister to the sexually broken around them.

*Parenting with Heart* Stephen James 2018-10-16 Parents want to be the best person they can for their children, but much of the time they may feel like giraffes on ice--clumsy, unprepared, and in imminent danger of going down. The good news is, our children don't need perfect parents. They need authentic, fully-hearted, relationally engaged parents who can mess up and move on more than parents who always get it right. In this freeing book, respected therapists and bestselling authors Stephen James and Chip Dodd invite parents to let go of perfectionism and micromanaging as they learn to parent from a place of emotional honesty and intimacy. Through their clinical experience and relatable true stories, they show parents that raising children to become capable, loving, and wise-hearted adults is far more about accepting our flaws than projecting an impossible standard to our children that we already know we can't live up to. Parents will learn how to resolve issues from their own childhoods, tune into their feelings and the emotions of their children, and be present with their families through both the best and worst of circumstances.

*Wild Things* Stephen James 2009-01 Offers practical guidance for raising boys while nurturing their physically, emotionally, and spiritually.

**95 SECRETS OF EFFECTIVE PARENT** Scot R. Kocher 2017-03-02 How to raise highly effective children in a constantly changing, increasingly complex world. 95 Secrets of Effective Parents offers no-nonsense strategies to give parents the tools--and knowledge--to improve the art and science of parenting. As a parent, you have likely already experienced some surprising aspects of effective child-rearing, such as parental bias, misinformation, and sometimes outright delusion. This is how nature designed us to be! Our experiences in the real world can be harsh, but kids need parents who view them through loving, rose-colored glasses and offer unconditional love and support. 95 Secrets of Effective Parents gently exposes the common blind spots many parents experience, using examples of effective and ineffective scenarios for each "secret," followed by questions and journal writings to help further internalize the information. The powerful tools in this easy-to-follow guide can help unlock the secrets to becoming a more effective parent. Parents and children will not only be able to cope, but thrive when faced with life's challenges!

**The Art of Raising a Resilient Child** Anna C Partridge 2019-04-13 Building resilience in our children is a vital ingredient to nurturing our children's mental health. It is a challenging and changing time to be a parent with the introduction of technology, reduced exposure to risk, dwindling communities and pressure to always be perfect in an often busy and overwhelming world. This book provides solutions and ideas to raise children who are mentally, emotionally and physically resilient and who can navigate the ups and downs of life based on both the art and science of parenting. It gives practical ideas to start right away with your child along with ways to build habits, behaviours and expectations early on, raising your child to have a strong mind, brave heart and healthy body.
