House of Darkness House of Light Andrea Perron 2011-03-08 Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by

spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a séance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba...a God-forsaken soul. Perceiving herself to be mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

Father Loss Elyce Wakerman 2015-11-03 As Elyce Wakerman found in the scores of interviews she conducted, the loss of a father— through death, divorce, or abandonment—is the event that shapes a girl's life and all her future relationships. "In my fantasy," one woman commented, "he remains the perfect, all-giving man"—a difficult role for any other man to fill. Based partly on the author's experience, partly on her in-depth interviews, and partly on a questionnaire she developed with psychologist Holly Barrett to which almost six hundred women responded, *Father Loss* provides the clearest portrait yet of a very special group of women. As a group, they express their insecurities ("Sometimes I wonder if I'll ever be able to love a man totally . . . because that would mean I didn't love my father anymore." —Leslie). Yet

individually, many have become outstanding achievers, including Eleanor Roosevelt (“He dominated my life as long as he lived and was the love of my life for years after he died.”), Helen Gurney Brown (“People in business, my bosses, I look to them all as fathers.”), Barbara Streisand, Gloria Steinem, Geraldine Ferraro and many others. A bestseller when it was first published twenty-five years ago and now updated and revised, *Father Loss* gives information and insight to fatherless daughters, to widows and divorcees with daughters, and to every father who needs to understand the vital role he plays in his daughter’s life—as the first man she ever loves.

I Am the Ghost in Your House Mar Romasco-Moore 2022-04-19 From the author of *Some Kind of Animal* comes a wildly unique story about an invisible girl struggling to see herself in a world obsessed with appearances. Pie is the ghost in your house. She is not dead, she is invisible. The way she looks changes depending on what is behind her. A girl of glass. A girl who is a window. If she stands in front of floral wallpaper she is full of roses. For Pie’s entire life it’s been Pie and her mother. Just the two of them, traveling across America. They have slept in trains, in mattress stores, and on the bare ground. They have probably slept in your house. But Pie is lonely. And now, at seventeen, her mother’s given her a gift. The choice of the next city they will go to. And Pie knows exactly where she wants to go. Pittsburgh—where she fell in love with

a girl who she plans to find once again. And this time she will reveal herself. Only how can anyone love an invisible girl? A magnificent story of love, and friendship, and learning to see yourself in a world based on appearances, *I Am the Ghost in Your House* is a brilliant reflection on the importance of how much more there is to our world than what meets the eye.

The Unharnessed World Cindy Gabrielle 2015-06-18 Though New Zealand author Janet Frame (1924–2004) lived at a time of growing dissatisfaction with European cultural models, and though her (auto-)biography, fiction and letters all testify to the fact that a direct encounter between herself and Buddhism occurred, her work has, so far, never been examined from the vantage point of its indebtedness to Buddhism. It is of the utmost significance, however, that a Buddhist navigation of Frame's texts should shed fresh light on large segments of the Framean corpus which have tended to remain obdurately mysterious. This includes passages centering on such themes as the existence of a non-dual world or a character's sudden embrace of a non-ego-like self. Of equal significance is the conclusion one then draws that this unharnessed world which human beings are often unable to embrace has always been right under their nose, for, whenever the aspect of the intellect that filters perceptions into mutually excluding categories fails to function, he or she finds a place of subjective arrival in, and sees, this supposedly unknowable 'beyond'. Thus, possibly against the grain of mainstream criticism, this study argues that Janet Frame constantly seeks ways through which the infinite and the Other can be approached, though not corrupted, by the perceiving self, and that she found in the Buddhist epistemology a pathway towards evoking such alterity.

The Redward Edward Papers Avram Davidson
2013-08-29 This collection of works includes the novella *The Redward Edward Papers*, along with five short stories. Delicatessen was painted in faded, faded, ornate letters on the store window, and a battered metal sign advertised a well-known soft drink. Edward had never been in the place before, but the instant he entered he

recognized it as an archetype. Such places are always owned by men named Hans or Ernest and have splintery wooden floors which are swept an average of once every quarter of an hour. They smell very strongly of vinegar and have very little on display in the way of wares - on top of the glass display case, a large pickle jar, usually almost empty, inside the case a small piece of cheese, a small end of roast beef and a small end of ham, perhaps one knackwurst, a pint of salad, and some rye bread. In that part of the establishment referred to by Ernest or Hans as The Back is the beer, the soft drinks, the stove on which the coffee is made To Go. One winces at the small resources on or out of which Erny is obliged to sustain life, one goes on wincing for ten, twenty, thirty years, wondering if Erny is ever going to be able to make enough money to afford a large piece of roast beef, an entire ham, or a whole rye bread. And then one day Erny isn't there any more and one learns that he has retired and moved to Florida where, in partnership with his brother-in-law, a retired plumbing contractor from New Brunswick or Queens, he now owns and operates three motels, a liquor license, a restaurant, and an all-night grocery. Never again will one hear Erny's inimitable conversation, to wit: "What can I do for you?"... The odor of vinegar was very sharp. The man behind the counter had scant hair around his head and abundant flesh around his jaws. "You are the Grand Logothete", said Edward. This time, so sharp and so strong the odor of vinegar that he never smelled the mandragore at all, even after he went blind and before he lost consciousness...

The Ghost Dancers Adrian C. Louis
2021-09-14 Adrian C. Louis's previously unpublished early novel has given us "the unsayable said" of the Native American reservation. A realistic look at reservation life, *The Ghost Dancers* explores—very candidly—many issues, including tribal differences, "urban Indians" versus "rez Indians," relationships among Blacks, Whites, and Indians, police tactics on and off the rez, pipe ceremonies and sweat-lodge ceremonies, alcoholism and violence on the rez, visitations of the supernatural, poetry and popular music, the Sixties and the Vietnam War, the aims and responsibilities of journalism, and, most prominently, interracial sexual relationships. Readers familiar with Louis's life and other works will note interesting connections between the protagonist, Bean, and Louis himself, as well as a connection between *The Ghost Dancers* and other Louis writings—especially his sensational novel *Skins*. It's 1988, and Lyman "Bean" Wilson, a Nevada Indian and middle-aged professor of journalism at Lakota University in South Dakota, is reassessing his life. Although Bean is the great-grandson of Wovoka, the Paiute leader who initiated the Ghost Dance religion, he is not a full-blood Indian and he endures the scorn of the Pine Ridge Sioux, whose

definition of Indian identity is much narrower. A man with many flaws, Bean wrestles with his own worst urges, his usually ineffectual efforts to help his family, and his determination to establish his identity as an Indian. The result is a string of family reconnections, sexual adventures, crises at work, pipe and sweat-lodge ceremonies, and—through his membership in the secret Ghost Dancers Society—political activism, culminating in a successful plot to blow the nose off George Washington's face on Mount Rushmore. Quintessentially Louis, this raw, angry, at times comical, at times heartbreaking novel provides an unflinching look at reservation life and serves as an unyielding tribute to a generation without many choices.

OCTOBER GIRLS By Scott Nicholson
Five days until Halloween and all hell is about to break loose. And it's all Crystal's fault. Momma warned her not to consort with the dead and tried to teach her the magic spells that would close the portal to the afterlife. But Crystal doesn't want to be a witch like Momma. And her best friend Bone is only too happy to escape the afterlife and help Crystal break the rules. Then a teen movie maker comes to Parson's Ford, and he has a very special project in mind: a horror movie starring a real ghost. Now it's Halloween, the night when the portal to the afterlife is widest, and somebody's been messing with Momma's potions. The movie is rolling, the creatures are stirring, and brainwashed teenagers are ready to welcome a new star from the other side of the grave. Crystal and Bone must overcome drama queens, coffin cuties, and mangled magic if they want to remain best friends forever—but at this rate, forever may not last much longer. keywords: paranormal romance, suspense, magic, witches, witchcraft, ghosts, horror, romance, supernatural fiction, paranormal mystery, YA young adult fiction, teen fiction, fun
